

## Risen Lovers: Immortal Brotherhood (Edge Book 4)

Immortals never resolve conflict with lovers or enemies. They either entomb the turmoil, literally, or shroud it in their past, never expecting to face the fight once more. Knowing if they ever did, for better or worse, life would never be the same again. Five years ago life was good at the Boneyard. The Sons, led by Reveca Beauregard, were unstoppable. Judge was in love. For the first time in his existence, hed found acceptance, balance, and a rush in a lover. He found it within the soul of Adair Vallet, a mortal. In one beat, the unthinkable befell the Sons. One of their own turned on them, forcing a divide. A Son had to die. A lover had to be let go. And for Judge, life stopped. Today, Adair Vallet is oblivious of the mans heart she still holds, yet she mourns the emptiness she feels within. Her life explodes into action when the dead rise and shes forced into the clutches of the Pentacle Sons. Quickly she finds herself twisted into a malevolent past thick with betrayal, mysticism, and passion.
