

## Chasing Carson (U.S. Marshal Series #2) (Volume 2)

Carson: My life was flipped upside down when my sister miraculously came back from the dead, and unfortunately I was left feeling like I was back in her shadow, yet again. But all that seemed to fade away once he came strutting through my front door. He was beautiful beyond words, and had a way of talking that would make any girl fall for him, but that was the problem. Now I found myself fighting every urge to be with him, regardless of how much my heart ached for him. Ruger: I had never met anyone like her in my entire existence. She was snarky and sassy, and that was exactly what I loved about her. She wasn't susceptible to my charm like most other girls, and that made the chase, that much more rewarding. I need her and want her all the same, but unfortunately for me my life and career tend to get in the way. Sometimes you have to have faith to get the one thing you've always wanted, but would she want me in return after knowing the real me?
