

Guarding the Princess (Sahara Kings)

2014 Daphne du Maurier Award finalist You're not just a job anymore. It was supposed to be a 72-hour mission, in and out, until Brandt Stryker got stranded in the arid African plains with predators before him, a killer at his heels and an exotic princess by his side. Dalilah Al Arif stirs his blood, makes him crave things he'd lost long ago--but she is off-limits, promised to a sheik. Dalilah's wedding contract stipulates she must wed before her 30th birthday--just months away. It's a duty she accepts. But in the arms of her handsome protector, she's torn between her sense of duty and honor, and her freedom. And as the terrorists close in, she fears the most dangerous creature in the savannah is Brandt himself....
