Notorious heartbreaker Austin Sinclair vowed he'd never fall in love, but all that changed when he met his Janie. They're living their happily ever after until an unexpected threat tears them apart. Austin is desperate to get Janie back, but fails miserably. He's said I love you so often, Janie doesn't care anymore, and getting her in his bed to prove it seems impossible. His old life beckons. Could he be that guy again? Jane scored big when she landed Austin, but now she faces a temptation she never expected one that makes her question what she really wants from love. Staying in a relationship with him requires all the strength she has. She's tired, and giving in to someone else would be so easy. Each of them hopes that something will change, that the other will give in, but it's going to take both of them together to overcome this obstacle. Can they make their love last forever? Or has their fight been for nothing? Be sure to check out the rest of Amelia James's catalog!
