

The Woodlanders

The Woodlanders is a novel by Thomas Hardy. It was serialised from May 1886 to April 1887 in Macmillans Magazine and published in three volumes in 1887. It is one of his series of Wessex novels. The story takes place in a small woodland village called Little Hintock, and concerns the efforts of an honest woodsman, Giles Winterborne, to marry his childhood sweetheart, Grace Melbury. Although they have been informally betrothed for some time, her father has made financial sacrifices to give his adored only child a superior education and no longer considers Giles good enough for her. When the new doctor a well-born and handsome young man named Edgar Fitzpiers takes an interest in Grace, her father does all he can to make Grace forget Giles, and to encourage what he sees as a brilliant match. Grace has misgivings prior to the marriage as she sees a village woman (Suke Damson) coming out of his cottage very early in the morning and suspects he has been sleeping with her.
