

## One Italian Summer

Could it be amore? A middle-aged woman recently stung by betrayal and divorce meets a dashing younger man still grieving from his wife's death. Their unlikely romance ignites in the heat of One Italian Summer. When American Natalie Compton travels to Italy and encounters Giovanni Ragazzo in a centuries-old monastery in Florence, she never expects the handsome Italian to be interested in someone like her. She considers herself too old, too chubby, and too jaded from her failed marriage. Gio loves Natalie's vitality, her spunk, her wit...everything about her that stands in contrast to his late wife, whose death from a long illness devastated him. Both Natalie and Giovanni are harboring secrets that would ruin most romantic relationships. But does the truth really matter when they have only ten days to be together?
