

Recharge: How to Stop Working and Enjoy Your Life (Impactivity Guides Book 5)

Your life of Impactivity is in full throttle, and its hard to slow down, so how do you find time to rest and enjoy life? You are pursuing your dream, or at least youve gotten started, and life is full and busy. The possibilities of where your dream might take you are endless and there are still all the other areas of life to contend with, like relationships and your health. So **WHEN WILL YOU REST?** Its easy to slip into the old habits of overwork. Of mere productivity instead of Impactivity. Between all the projects youve mapped out, the healthy habits youre pursuing, and the responsibilities and relationships in your life, slowing down makes you feel guilty.
