

An Heir for the Billionaire (Dynasties: The Newports)

Will a single mom and her baby become an instant family for this all-business tycoon? After learning her billionaire father is dying, Nora Winchester O'Malley rushes to his bedside in Chicago and right into an old friend's arms. Reid Chamberlain is there to comfort the young widowed mom when she needs it most. But what passes between them isn't mere compassion; it's sheer passion. Reid has been all business for so long, shutting down his emotions as he built up his hotel empire. Now Nora and her adorable child have come along, stirring up demons he must face to have a shot at a future.
