

An Honorable Man (Mills & Boon Vintage Superromance) (Return to Indigo Springs, Book 4)

A rugged stranger asking questions Sierra Whitmore figures the guy is just a journalist doing his job. That's before the reserved doctor gives in to the powerful attraction simmering between them. Before she discovers the real reason Ben Nash came to Indigo Springs. Uncovering the truth behind his mother's death seems to be Ben's driving mission. But when his quest unearths a secret in Sierra's own family, how can she ask this passionate, honorable man to choose between her and justice? Or maybe Ben has already made his choice. Especially if he knows that exposing the past could cost him his future with Sierra.
