

An Impostor in Town (Colorado series Book 1)

Peyton Chandler has done everything to protect her son Jake from the evil men who would destroy her by destroying him. For years, she has allowed another woman to raise her son, kept herself apart from him, and hidden behind her dead sisters identity, never allowing herself to get close to anyone--not even Sheriff Brian Parker, the one man whose love and respect she craves. When Brian receives a note claiming theres an impostor in town, he doesnt know where to start his investigation. Peyton fears she will lose the man she loves if he discovers shes not the woman she claims to be.
