

Magic Revealed (The Magic of the Heart Series Book 4)

Born into an already-powerful family, Gideon Marquand is a special kind of witch. The most recent in a long line of super-witches, he is the first in over two hundred years to emerge possessing unlimited stores of magic. He is hunted driven into hiding until the day when he can finally reclaim his rightful place among his family. Gideon has spent his entire life preparing for a showdown against an evil force bent on his destruction. But when fate intervenes and puts a broken and damaged woman in his path, Gideon knows he not only has to fight for his life... He has to fight to save the woman meant to be his.
