

Anomaly of Blaze (The Fireblade Array Book 3)

An Anomaly of Blaze is the cause of a great many troubles, but he may also offer a solution to the woes faced by our heroes. In Calidell, The Fireblade must deal with her wars alone, and the battles she faces are nothing like those of the ten millennia before. A new monster has taken up residence in her mind, and it seeks to control her power. She must do all she can to protect the ones she loves, but can she achieve this before her will to fight leaves her? Volume 3 of The Fireblade Array ***** Includes Glossary
