

The Antonello Brothers: Antonello Brothers

In *At the Mercy of Her Pleasure*, professional thief Senth Antonello must retrieve a device stolen by the Imperial Armada, but his brother is kidnapped to force Senth to surrender it. His new partner, NarrAy Jorlan, is a genetically altered woman who could enhance the mission, or crumble it into dust with a single siren kiss. He's a fun-loving thief. She's a by-the-book soldier. Do opposites attract? Oh, mercy! In *For Women Only*, Ambassador Mehfawni Ruh discovers the secret Khyff hides. What he knows could destroy her people and prevent her from leading them. She should shun the human, but how can she leave Khyff to suffer in the darkness that binds his heart? His secret truth is her people's darkest lie. Meet Senth and his big brother Khyff in *At the Mercy of Her Pleasure*, and *For Women Only*. Round out the fun with secrets of the shadowy Thieves Guild (of which Senth is a premier member) in the *Thieves Guild Handbook*. This sci-fi romance boxed set is sweet romance with a kick. Join two tough brothers as they work for freedom, and find their true loves.
