

Ask Anyone (A Trinity Harbor Novel, Book 2)

A merry-go-round horse and an armed guard in his front yard along with half the town is not what Bobby Spencer expects to wake up to. So with his quiet Sunday morning ruined, he isn't feeling very kindly toward the woman responsible. But Jenna Pennington Kennedy is desperate. She needs to capture Bobby's attention so she'll hire her to plan the town's new riverfront development. It's just the sort of thing that could prove to her father she's a responsible woman, not the reckless kid of old. The last thing Bobby wants in his life is a sexy single mom with grand ambitions. And Jenna doesn't need any more roller-coaster romances. But in Trinity Harbor, love has a way of defying expectations. Ask anyone.
