

## Aspects of Judaism: Being Sixteen Sermons (Classic Reprint)

Excerpt from Aspects of Judaism: Being Sixteen Sermons The Sermons contained in this volume, with three exceptions, were all delivered at various Jewish religious services. Though there is no basis in Jewish history for a distinction between clergy and laity, in practice such a distinction inevitably arose towards the end of the middle-ages. Yet, laymen though we are, and though our opinions on many points may not be generally shared by Jews, we have nevertheless been permitted to occupy the pulpit in several Jewish places of worship. This fact is not merely a source of gratification to ourselves, but seems to speak well for the liberality of modern Judaism. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at [www.forgottenbooks.com](http://www.forgottenbooks.com) This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
