

Assumption: Underground Kings (Underground Kings Series Book 1)

assumption: a thing that is accepted as true or as certain to happen, without proof They say when you assume that you make an ass out of you and me. Kenton Mayson learned this lesson firsthand when he made assumptions about Autumn Freeman and the kind of woman she is based on what little information he had. What he finds out is she's not only beautiful, but also smart, funny, a fighter, and exactly the kind of woman he wants to share his life with. Autumn made assumptions of her own about Kenton, and now he needs to prove her wrong in order to protect her and their future. Warning 18 and over due to violence and sexual encounters
