

## Fresh: A BWWM Secret Billionaire Romance

FANTASTIC exhilarating well written read by a truly gifted author. Beneath the sizzling romance lies an impressive story. The characters are convincing and admirable. Amelia was extremely spoiled, but her trip to Wisconsin changed the way she viewed herself as a woman-she grew up. Jimmy is intelligent and powerful, and his unfading devotion for Amelia flourishes with every beat of his heart. I relished this story; held my attention from beginning to the end; a most gratifying read. If you treasure fantasy romance this is a fabulous choice for your library.~sherill, Amazon reviewer

Secrets have a way of snowballing...JIMMYI never should have lied to her. I only wanted to get back at her as a joke. Now shes pregnant, and I have a lot of explaining to do.AMELIAIm a girl who has always gotten what she wants. My dad is dying of cancer, and he sends me to Wisconsin. How can I say no?\*\*\*Note: This interracial full-length novel contains a lot of steam. HEA guaranteed. NO cheating. NO cliffhangers.\*\*\*EXCERPT My legs feel like Jello, but... He rolled to the side of the bed, and he pulled me into his strong arms. He carried me right back into the shower. I wrapped my arms and legs around him. He turned on the water. He pinned my back against the cold wall, and he kissed me desperately. I broke the kiss. Put me down. He put me back on my feet, and I soaped him up, all of him. His hard chest, his sweaty back, his well-used genitals, and his taut ass. I touched every bit of him, including his toned forearms and his solid calves. His breathing got funny when I was touching his calf with my hand, and I tickled him a little behind the knee. Turnabout is fair play. He stole the soap from me, and he cleaned me up in just the same way. The slick soap was everywhere. Suddenly, my feet were not on the ground anymore. He pulled me back into his arms, and he put my back against the cold wall. I

tilted my head so that I could kiss him. He pulled back. I want you.
