

Noelles Wish (A Christmas Tale Book 1)

Noelle Andrews has had an abusive past and another bittersweet Christmas is here. Noelles wish is a simple one. To be loved. To Noelle that wish is as unattainable as the stars in the cold winter sky. Roman Parker is young, sexy, and an entrepreneur. The CEO of Parker Industries is a man who thought he had everything he wanted. That was until he met Noelle. Can Roman make Noelles dreams come true? Or will her past prevent her from having the only thing she has ever wished for?
