

## Autumns End (The Spirit Shifters Book 6)

The final book in The Spirit Shifters Series! Pregnant with Peter's child, Mia is adjusting to life as a shifter. Filled with a hunger she seems unable to sate, and with the baby growing at an unnatural rate, she and Peter seek help. An ancient brotherhood get the baby might be the first of its kind--a true genetic shifter--and they will do everything they can to stop more shifters being created, including abducting Mia. Caught in an explosion downtown, Autumn has to figure out if she was simply in the wrong place at the wrong time, or if someone is out to kill her. When news of Mia comes through, both Autumn, Blake, and the others will stop at nothing to get her back, even if it means waging a battle between their own kind. Will Mia and Peter's baby be the start of a whole new legacy of shifters, or will lives be lost?
