

Pursuit of God Bible-NIV

The Pursuit of God Bible will introduce a whole new generation of readers to the works of A. W. Tozer. A pastor, preacher, student and teacher, Tozer (1897-1963) is perhaps the closest American writer to C. S. Lewis, with his penetrating insights and straightforward use of language. Fifty years after his death, his bracing words now accompany related passages throughout the popular New International Version Translation. This unique volume features close to 600 key selections and teachings, taken from more than 40 of Tozers writings, ranging from seminal bestselling books like *The Pursuit of God* and *The Attributes of God* to lesser-known works such as *The Size of the Soul* and *The Root of the Righteous*. Each selection appears in one of three categories: **On Scripture:** Over 365 selections, each sharing the page with the Bible passage to which it refers, add depth and insight to a particular verses application for the believer. **Reflections:** More than 100 writings that apply the deep meaning of the Christian faith to everyday life. **Challenges:** Nearly 100 entries tied to scripture that exhort the reader to resist complacency in particular areas of ones living out the Word in the world. **Special Features-** Brief biography of A. W. Tozer- Close to 600 Tozer selections- Book introductions- 9-point type- Concordance- Maps
