The hardheaded Armstrong brothers are determined to rebuild their tornado-ravaged hometown in the Georgia mountains. They've got the means, they've got the manpower what they need are women! So they place an ad in a Northern newspaper and wait for the ladies to arrive. Sensible yet sexy middle brother Kendall Armstrong penned that ad himself but there's just one woman he really wants to answer the call. Civil engineer Amy Bradshaw Kendall's ex-fiancee fled Sweetness years ago, taking a precious souvenir with her. She's back now but only on a professional level. Really. Little does she know that old flames always burn the hottest.
