The complete BAD BOY BILLIONAIRE series, by Coco Cadence now available in one sizzling bundle! ~ Bad Boy Billionaire - Part One One night. That was the deal I made when I gave my body to the charming, enigmatic self-proclaimed bad-boy billionaire Adrian King. A prolific artist by day, a dominant lover by night. His riches go beyond money, beyond power. Passion is his playground, and I am his willing pawn. I thought I could resist. I was wrong. One night turned into two until all I could think of was him. The choice was already made the moment I chose to surrender to him. His desire rules me. His secrets ruin me. ~ Bad Boy Billionaire - Part Two I am his. Three words are all it takes to seal my fate. With the contract signed, the bad-boy billionaire Adrian King owns me now. His alpha tendencies have me under a spell, and his control over my heart threatens to overtake me. Sparks ignite something more than pure lust But can there be love in a game ruled by desires? When passion rules and boundaries are blurred, I have no choice but to delve deeper into the secrets that encompass him. It wont be without regrets. ~ Bad Boy Billionaire - Part Three We ruined each other. Adrian King, the dominant bad-boy billionaire who claimed my heart with his alpha behavior, broke me. When unexpected secrets come to light, our relationship is put to the test. Desire disguised as love and fear of past mistakes tears us apart. Now were left to pick up the pieces of our shattered selves. But there is more to us than just our sinful game, something worth fighting for. Theres only one way to find out if were meant to be together Go hard or go home.
