

Shred: Billionaire Bad Boy Romance

A Billionaire Bad Boy Romance Claire I wasn't even even supposed to know his name. This shredded, filthy, playboy didn't just break the mold, he made it explode. It was supposed to be a one-night rebound from my ex. So what was I to think when a limo pulls up to take me to the world's most exclusive holiday party? Maynard doesn't know the meaning of the word generosity. With a sex-crazed Billionaire there's always a catch. I have to go as his fiancée. Engaged to New York's richest playboy for a night? Sure, no problem! On one condition: No Sex! That's easier said than done, when his hard blue eyes make me shiver, and his flaming tongue makes my blood boil. What the hell have I gotten myself into? Maynard I only have three rules. Never kiss on the mouth. Never spend the night. And NEVER... Well a playboy never tells. *Author's note: This book comes with a free copy of Riding for Her!
