

Angel Lucifer, Evils Origin

Angel Lucifer Evils Origin (A Theological Novel) Since He is all-powerful, then why does God allow so much suffering and heartache to take place in this world in which we live? If God is the Creator of all, does this mean He is the Author of evil? The puzzle of evil is vastly incomplete without considering the legacy of Lucifer. Once an anointed angel in heaven, he somehow turned into the enemy of all that is right and holy and good. Using the Biblical glimpses of his downfall as our framework, I paint a picture of this amazing transformation in which Lucifer, the light-bearer, eventually became Satan, the slimy, seductive hater of God. Through looking at his beginning, and using some imagination and inspiration (while staying in the parameters of Biblical revelation) perhaps we can get a better understanding of the puzzling topic of the origin and essence of evil.
