

## Ride (Bayonet Scars) (Volume 1)

Death comes in Armani. Salvation comes in leather. Principessa to the Mancuso crime family, Alexandra knows a thing or two about living outside the bounds of the law. Suffocated by the future her father has laid out for her, she makes a choice she cant take back, changing the entire trajectory of her life. Thrust into the dark and dangerous world of the Forsaken Motorcycle Club for her own protection, Alex finds herself faced with the last thing she needs right now: the man of her dreams. Hes sex in leather, the devil incarnate, and one hell of a kisser. But hes also off-limits. Ryan Stone can be her friend, but hes forbidden to be her lover. Third-generation Forsaken, Ryan knows nothing other than life on two wheels, and he wouldnt have it any other way. He enjoys the many privileges that come with the patch, and the only laws he recognizes are the ones set-forth by his club. That is, until who he wants more than anything isnt allowed on the back of his bike or in his bed. Balancing his desire for her body, and need to keep her safe, Ryan tries to keep Alex at a distance. Finally having made a choice for herself, shes done hearing the word no and will push boundaries even Ryan himself doesnt dare cross. Love is never more tempting than when its forbidden.
