

The Pirate And The Alpha (BBW Shapeshifter Romance)

His hands grabbed my hips, his fingernails digging into me. Claiming me. His prize. The Lady Brass was feared far and wide. Dozens of ships Ive plundered with my crew. We were whispered about in every tavern from Cuba to Haiti. But no amount of fearsome reputation can save you when your ship is sinking. I shouldve died in that battle. I shouldve died at sea. I shouldve died when the Royal Navy sailor found me unconscious on the beach. But I didnt. I dont know what happened, or what kind of beast he is. Nor do I know why Ive found my eyes lingering on his body... 18+ only. Over 6,600 words of a BBW pirate queen being taken roughly by a bestial alpha male shapeshifter.
