

Beach Walk: An Emerald Isle, NC Christmas Novella

One house. Two people in need. On a winter night several years before, a young runaway, Kelli, stumbled onto the porch of an oceanfront cottage. The woman who lived there, Margie, took her in and gave her the gifts of safety and security. Twelve years later, Margie dies. Kelli continues living at the cottage until the day the woman's nephew arrives for a Christmas visit. And he intends to stay. Dylan has been on the road for many years. He calls himself a traveler, but he's tired of always being on the move. When he arrives at his aunt's home, he learns that she has died. Who has the better claim? And how far will Kelli go to keep the house that has become her home?
