

Beautiful Dreamer (Carolina Pack)

Twelve years ago, the pack that Gabby, Sammy, and Shea were a part of was attacked. Shea was taken, Families were separated, and in Gabbys case everything was destroyed. She watches as Shea gets ready for her wedding, longing to be like her, but knowing that that could never be. Then Slades brother Hunter enters her life. He makes her feel things that she never thought she would feel again, maybe she will be happy for once, but then again what will happen when he has to leave?
