

Possessed - Part Three (The Possessed Series Book 3) (BBW Billionaire Romance) (The Kings)

My boss, the billionaire bad boy Leo King, not only tricked me into being his fake-wife, but the dirty secret he's been keeping from me is now also exposed. I can't believe I fell for his lies, and worse, I still want him. He says he loves me, but does that fix everything? The joke is on me. His crazily hot presence is impossible for me to deny. Fighting temptation or risking it all; the choice is simple, but the consequences are tough. However, when new revelations threaten to break us apart, there is only one thing I can do: Stock up on chocolate and sit this fucker out until the end. The third part of Possessed, a three-part series from Coco Cadence.
