

## Because of the Brave

Laura Baumbach, Josh Lanyon and Z.A. Maxfield contributed to the anthology *Because of the Brave*. This collection honors the men who served in the military and labored with the Don't Ask, Don't Tell policy. In Laura Baumbach's *Designated Target* a soldier returns to his hometown to tell his brother the truth about what happened in the field. Josh Lanyon's *Until We Meet Once More* pits a Naval Academy graduate against the Taliban and his own repressed past. Finally in Z.A. Maxfield's *Jumping Off Places* a soldier returns home to be with his dying mother and finds more than he bargained for in the place he'd hoped to never see again.
