

Bed, Breakfast, and You (Legends Landing Bed & Breakfast Book 1)

Legends Landing Bed & Breakfast Series, Book One Suzie Schul has it all. A booming business, a wonderful town to live in, and, well, food. Yeah, she loves to cook and shes the best darned cook in Legend, Tennessee. Everybody says so. She runs her own B&B, has published a cookbook, conducts cooking classes on Saturdays, and caters for special events and holidays. What more could she want, really? Nothing, that she will admit, anyway. And lets not even think about that brief escape to Gatlinburg several months back when she had separated from her then-husband, Cliff. Or the fact that the man ran off with her little sister while they were, um, estranged. And lets definitely not bring to light that shed never really revealed to anyone in the small town of Legend what exactly had happened between her and Cliff. Or the fact that while she was off finding herself and losing her husband at the same time, she sort of, well, had a fling. But never mind about that, because the fling is long gone and likely doesnt even know where to find her. Besides, he was trouble. And just when Suzie thinks all is well, Mr. Trouble rides up to her B&B doorstep on a bad-ass Harley and tosses her perfect little world into some kind of big, bad tumble.
