

Before We Met

Amy Westover is just finishing college when she loses her parents in a plane crash. Her grandmother Eleanor is all she now has left. Michael Quinn has spent his early life on a ranch near Corpus Christi, Texas. He comes from a hard working family in the construction business. Amy has visions of this man from Texas. Michael experiences the same phenomenon, dreaming of a pretty young woman he doesn't know. They meet by chance on a bike ride where Amy becomes the target of assassins sent by her attorney who is looting her inheritance. Michael becomes her protector, tied to her by this telepathic communication. This bond, witnessed by both long before they met, grows stronger as they elude the people sent to kill them, the connection of their minds the path to safety and a life together.
