

Beg Me to Slay

Lisa Kessler is an up and coming author to remember! Sherrilyn Kenyon #1 NYT Bestselling Author of the Dark-Hunter Series Hell slay her demons, but it may cost her heart... Four years ago Tegan Ashton was attacked. Determined never to be a victim again, she devotes her life to martial arts and self-defense. When her assailant returns to finish what he started, only one person can help her. Gabe is a private investigator by day and demon slayer by night. After losing loved ones, he vows to defend people from a threat they don't realize exists. The relationship is supposed to be strictly business, but fighting demons together stirs up emotions they never expected. Turns out demon slaying is a breeze compared to facing their scarred pasts and even worse - hearts.
