

## BegendingS: Every Ending is a New Beginning

Death, dying, loss of loved ones, and paralysing grief is something that will affect us all at some stage of life. Indeed it is an integral part of life and this is the message conveyed to us in this powerful and uplifting work by Jim Talentino. Through this collection of short stories, personal, heartfelt and moving, we are able to share in the painful accounts of death and find strength in the stories of so many who have walked this path before us. BegendingS: Every Ending is a New Beginning is so much more than a self-help book it puts forth ideas to challenge our perceptions and shows us how, in everyday life, we are all faced with losses and departures, and how these are necessary for new beginnings.
