

## Blurred Lines (Behind Closed Doors) (Volume 2)

Welcome to the Behind Closed Doors series, a gripping family drama and psychological thriller. Blurred Lines is the second novel in Cawoods womens fiction family saga and an emotional tale of abuse on the most intimate level.\*\*\*What happens when true love and true friendship collide?After surviving a serial killers attack Julia Swift has spent the last seven years married to the man who promised hed never to let anything bad happen to her again. But even while living under Waynes protection bad things happen to Julia all the time -- Most recently the charge for her husbands attempted murder. The former fashion designer turned celebrity stylist is clumsy, talentless, cant get anything right and only working because her best friend Ashleigh took pity on her. Julia knows this because Wayne tells her all the time. When Ashleigh starts blaming Wayne for Julias obscure injuries and publicly accusing Wayne of psychological abuse, Julia must decide between Waynes raging demands that she quit her job and Ashleights dramatic pleas that she leave the man she loves. But how does Julia choose between the two most important people in her life when secretly she lives in fear that one day Wayne will hurt her?Sometimes, you dont see the line.\*\*\*An interview with the AuthorWhat make the Behind Closed Doors series special?Behind Closed Doorsis a collection of womens psychological literary fiction, which explore dark romances. The great thing about this series is that its also contemporary womens fiction that not only focuses on the love story between the abuse victim and their abuser, but also on the ripple effects of the friends and family members close to that relationship. Who would enjoy these books?The Behind Closed Doors series is for anyone who enjoys a gritty and dark romance novel, or compelling literary fiction that combine elements of traditional contemporary

womens fiction love story and family saga, with elements of psychological thriller, and romantic suspense. What order should I read them in?
