

## Behind the Bar: Behind the Love Trilogy (Volume 2)

When he cant commit, he almost loses her forever When Susie and Reggie watch good friends Dean and Leah find happiness, they both know something in their relationship must change. Susie believes that means marriage; she didnt expect it to be Reggie deciding they needed to take a vacation from the relationship. While on break, a handsome publisher comes back to Victory to sweep Susie off her feet, while the voluptuous Sally Jean works her charms on Reggie. Meanwhile, the Victory Tavern owned by Reggie grows into a star attraction for the town. Dean and Leah help at the Tavern, and Susies sister Lisa returns home and provides Susie some much-needed answers to the questions about their father. Reggie nearly loses everything in a bet that jeopardizes the Tavern. Secrets revealed bring more questions. When Reggie realizes Susie is the woman he loves, Susie must decide if she can ever trust him again. Before either of them can move forward to a life together, they must realize their past does not define them.
