

## Dead and Disorderly (Behind the Blue Line Series Book 2)

The living have the right to remain silent, the dead, not so much. Nahia Wellington is not your everyday shopkeep, but as the owner of Wellingtons Magical Apothecary, her bewitching sticks and stones, cards, and tomes were always for the typical buyer. After a call from her notorious matchmaking childhood best friend, Nahia must use her paranormal investigation skills in effort to help the police. When Detective Nico Verrazano agreed to this assignment, he never expected to meet the sexy, playful, and quite possibly crazy ghost hunter. Remarkably the dark hair beauty grasps his interest but when the unlikely pair meets, the connection is nothing short of otherworldly.
