

## Beneath These Lies

From USA Today bestselling author Meghan March comes a riveting new stand alone novel in a series readers call deliciously addictive and binge-worthy. Are you ready to go back to New Orleans?

Look, but dont touchshe might as well wear a neon sign that says it. It just makes me want her more. She might be above me in every way, but I still want her under me. Ive got no business touching her rich-girl skin, but that wont stop me from stealing a taste. Because rules were meant to be brokenespecially when the prize is so fine. In a world where nothing is as it seems, whats buried beneath these lies? \* \* \*

Beneath These Lies is the fifth book in the Beneath series, but each of these hot contemporary romances can be enjoyed as a stand alone. Then again, why would you want to miss out on all the alpha heros and the women who bring them to their knees? After all, theres something for everyone in New Orleans... Suggested Reading Order:
