

## Best Friends Share Everything

**\*\*Contemporary erotic M/F/M romance novella - 11300 words\*\***It all started as one big misunderstanding. Jessie Sawyers boyfriend, Devin, gave her a key to his apartment and she merely wanted to thank him in a jazzy, make-your-wet-dreams-come-true kind of way. She had no idea his roommate, Conner, would come home so early and catch her posing in her new lingerie with her hand between her legs. But what begins as one huge, mortifying experience soon turns into the most memorable, pleasurable night of her life when Devin finally shows up and neither man wants her to leave.
