

The Earl Takes A Bride (Mills & Boon Desire)

Nonsense! Diane Fields, smart, practical, single mother of three, didnt believe in happily-ever-afterseven if her sister was married to the king of Elbia. But here was Earl Thomas Smythe, the rugged, debonair bodyguard to Dianes royal brother-in-law, standing in Dianes kitchen offering to whisk her away to Elbias luxurious palaceand for a little rest and relaxation, no less! Why, Diane almost took the earls suggestion as a jokeexcept there was no doubting the fiery ardor in the eyes of the kings emissary. And there was no doubting that Thomas was stirring up a very passionate response deep in Dianes soul.
