

## Beware of Wolves

A Paranormal Werewolf Shifter Menage Novella When Oak Glen police officer, Samantha Reed, received an anonymous call alerting her that the towns new wrecking yard owners were illegally keeping wolves on the property, she was obliged to check it out. What she never expected was to find herself lured into an ultra sexy menage a trois with a pair of sexy beasts. Will she get her fairytale ending? Or will the savage nature of the werewolf pack destroy her? WARNING: This werewolf romance novella has explicit language and sexual content, with M/F/M shifter menage love scenes.
