

Beyond These Walls (The Walls Duet Book 2)

Happily ever after. That was what we were supposed to have. Pudding cups, sandy toes and a lifetime of making each and every one of our dreams come true that is the future I promised her. I could see it in my dreams, hold it in my hands, but then I watched as all of our hopes and wishes suddenly slipped through my fingers like sand. I thought the worst was behind us, but what if we just delayed the inevitable? They say love can overcome any obstacle. But can it survive death? The breathtaking love story of Lailah and Jude concludes in Beyond These Walls. ***Due to some graphic language and explicit scenes, this book is not recommended for readers under the age of 18.***
