

## God I Have A Question (Religion)

A persons Journey is individual, our search is one of need, of longing, of understanding. The truth of it all, rests within each of us, we must always the grace given to thrive and grow. Brethren of my faith lives in my heart, the ancient Jewish watchword, Shma Yisrael, resounds in their synagogues as in ours, in the church as of the world but in a different language ; the old blood-stained flag, with its sublime inscription, The Lord is my banner! floats over them; and Jewish & Christian hearts in America are loyal like ours, and sustained by steadfast faith in the Messianic time when our hopes and ideals, our aims and dreams, will be realized. There is but one Judaism the world over, as is there only one Christian Faith and these rest by the Jordan and the Tagus as by the Vistula and the Mississippi. God bless and protect them, and lead it to the goal of its glorious future! I give credit to all those who have gone before me, all those who have studied, read and passed on their knowledge. To them I give full credit for their work, for the words that have pushed me onward, forward to publish this text. In this writing I explore, as many have and do, how many years would it take before myself and other Jewish men would realize that the answers we were looking for were right before us, in the texts and teaching handed down through the generations? Here then are those texts, teaching and study that gave me understanding to who I was and who I am, a Jew, a man second and God is always first. IF I could only make men understand the real meaning of the words of the apostle John GOD IS LOVE, I would take that single text, and would go up and down the world proclaiming this glorious truth. If you can convince a man that you love him you have won his heart. If we really make people believe that God loves them, how we should find them crowding into the kingdom of heaven! The trouble is that

men think God hates them; and so they are all the time running away from Him.
