

Big Guns Out of Uniform

Mysterious and untamable, they hold honor, strength, and courage close to their well-guarded hearts. But no matter how much their jobs require them to lay aside their personal lives, they cant deny that they have burning needs like any other man... In Sherrilyn Kenyons BAD to the Bone, teacher Marianne Webernecc wins the Hideaway Heroine Sweepstakes. Whisked away to a remote tropical island, Mariannes fantasies become real when Bureau of American Defense agent Kyle Foster kidnaps her and uncovers her every desire. In Liz Carlyles Lets Talk About Sex, Dr. Delia Sydney dishes out perfectly sound sex advice on the radio but is easily seduced by her bad-boy neighbor. Just what is it about Nick Woodruff, a smooth-talking sergeant, that makes Delia do anything when shes with him? Things get even hotter in Nicole Camdens The Nekkid Truth when crime scene photographer Debbie Valley loses the ability to recognize faces and must identify people by their bodies. Soon she finds that the wonders of Detective Marshall Scott s body never cease...and that he needs her to help catch a killer.
