

Witness Pursuit (Bodyguards)

Bodyguards, #1 One witness...one bodyguards...one life. Twenty-one-year-old New Zealander Lydia Sands witnessed the hit-and-run of a powerful man's son. Her bodyguard is shot when the killer returns to dispose of her and The Program puts her in hiding. A year later, the case remains unsolved and her handler needs to get her further from the killers' reach. Lydia detests the thought of being close enough to endanger the man who nearly died protecting her, even if it's aboard a super-yacht traveling the South Pacific. Tyler Whitehall's shooting stole weeks from his memory. Physically recovered, he oversees security for Whitehall Shipping. While on a family holiday, Tyler is suspicious of the woman accompanying them without notice or security clearance, as his nephew's caregiver. Stronger than suspicion is his incomprehensible attraction to her, and his instinct to protect her. Once sensitive information is leaked, Lydia undergoes re-identification to evade a killer and protect the man who died to save her. Her bodyguard has just begun his pursuit, and she may have underestimated his abilities. BODYGUARDS SERIES Witness Pursuit, #1 Bodyguard Pursuit, #2
