

At the Billionaires Paradise (Billionaire Brothers) (Volume 4)

David's loyalties are divided after his father's heinous act of betrayal, and he struggles to come to terms with his own feelings. He grows more distant from Carrie, forcing her to question whether he truly wants her in his life. Stuart is there for her, he gives her a shoulder to lean on but he is looking for more than just friendship. Carrie must face temptation in the face of her disappointment with David. The return of Richard means more complications for Carrie and David, with danger mounting every moment he is on the loose. Will Carrie and David find a way to hold onto their love?
