

Romeo (Black Rebel Riders MC) (Volume 5)

Full length Novel intended for mature readers due to graphic adult situations
How far are you willing to go to protect those you love? Romeo knows he is willing to go the distance. This is his story... Romeo has fought his way through hell and back to overcome his demons. Just when he thinks, he has everything under control, his life changes in the blink of an eye. You have to take the good with the bad or so they say. When the club's worst nightmare comes true, Romeo finds himself faced with the unthinkable... Hard is the only road I have ever been down... Sunshine has devoted her life to being Grim's old lady. She thought they had it all. Soon she is faced with choices she isn't prepared to make. What do you do when all the walls of the life you have built come tumbling down? What happens when your happily ever after isn't what you expected? Baby has everything she has ever wanted but it comes with a price. The deeper you love the rougher the road you travel becomes. Baby is finding out the hard way that sometimes the truth cannot set you free. Striker Black has everything he ever dreamed of within his grasp. Power, loyalty and brotherhood are his for the taking. Only problem is it could cost him everything and everyone he has ever loved. The Black Rebel Riders MC are about to take you on one hell of a ride, so strap on your gear and get ready to travel the highway to hell. You haven't seen nothing yet.
