

## Blame It on the Bachelor (Mills & Boon Blaze) (All the Grooms Men, Book 2)

Banker Kylie Kent is looking for a man until she spots Devon McKee. Devon is all temptation, right down to his melt-on-the-spot smile that always gets him what and who he wants. And he wants Kylie. But after a scorching encounter, Kylie makes it clear this is one-time only. Then Devon sinfully suggests that, as they are about to work together, they chase their business with a giant shot of pleasure. Would it be so wrong to give in and blame it on the bachelor?
