

Blood Fire

Innocence Lost It was a night of exquisite rapture that changed Lady Octavia Grenvilles life forever. Not only did she long for sexual pleasure--but as a succubus she needed it to survive. Now she is intent upon learning to control her powers and searching for the child she was forced to give up, a quest that takes her into the arms of the rake who ruined her. . . .Passion Found Matthew, the Earl of Sutcliffe, is not the man Octavia once knew. He is now a vampire, but one doomed to die in a fortnight unless he can win a womans love. The only one he desires is Octavia, but she wants him merely as a sexual plaything, a source of erotic delight. Somehow he must expose his own heart in order to find hers. . . .Praise for the Novels of Sharon Page Scorching love scenes to make you sweat and an intriguing plot to hold it all together. --Hannah Howell, New York Times bestselling author Wickedly sensual and exquisitely drawn.
