

Blood Ties: A Bishop/Special Crimes Unit Novel

NEW YORK TIMES BESTSELLER New York Times bestselling author Kay Hooper takes us to the outer reaches of fear in *Blood Ties*, as the Special Crimes Unit is targeted by a monster intent on destroying both Noah Bishop and his people. A series of grisly murders has left a trail of blood across three states, bringing the Special Crimes Unit to a small Tennessee town. There, two more brutal killings lure Noah Bishop and the SCU into what may be the ultimate trap, and lead Special Agent Hollis Templeton into a dangerous attraction and a serial murder investigation that turns very, very personal. In her time with the SCU, Hollis has shown an uncanny ability to survive even the deadliest attacks. But what she can't know is that this killer intends to destroy the team from within. As the body count climbs, and Bishop and his agents race to uncover the true identity of their enemy, not even their special senses can warn them just how bloody, and how terrifyingly close, the truth will be.
